CHANGE of date, it is NOW

Wednesday 23 October

NATIONAL CHANGES TO SCHOOL ATTENDANCE

Planning a holiday?
Illness with no medical evidence?
Arriving Late after registers closed?
The Government has made changes to school attendance.

This could affect you!

If your child is absent for 5 days or more without permission or medical evidence you will face fines.

You can help yourself!

We can give you information, advice and guidance. Speak to us for support.

SPARE CLOTHING

Little children can't help accidents or bad weather but sometimes they get caught out.

Please aim to send spare clothes in a named bag for changing into if they get wet.

We often have to change children into dry clothes

– if you have decent clothing that your child has grown out of, we would be very pleased to have this in school.

We would even welcome clean underwear!

DSL Designated Safeguarding Leads for Clover Hill V.A. Infant and Nursery School

Designated Safeguarding Lead Mrs. McCarney, Alternate Safeguarding Lead Mr Bennison, Mrs. Inger, Mrs. Frary

SENCO Mr Laband Pastoral Mrs. Inger EYFS Lead Miss Weston KS1 Lead Mrs. Chaplin

ODD SOCKS DAY

TUESDAY 12TH NOVEMBER

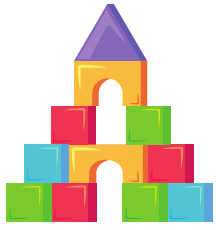

Thousands of kids and adults across the UK are going to be wearing odd socks on Tuesday 12 November and there's a really good reason why! It's the start of Anti-Bullying Week.

Odd Socks Day is a national event all about celebrating what makes someone unique.

It's organised by the Anti-Bullying Alliance which is a group of organisations, charities and individuals who work together to try and stop bullying

Little Clovers

Parent and toddler group (0-4yrs old)

Enjoying the SUNSHINE!

Here are some pictures of our brand **NEW Little Clovers toddler group**, every Friday 9:30-11am at Clover Hill for aged 0 to 4 years old.
Inside and outside activities.

PLEASE BE AWARE SOME PUPILS HAVE HAD HEADLICE, SO MAKE SURE YOUR CHECK YOUR CHILD'S HAIR

HEAD LICE AND NITS ADVICE FROM THE NHS

ONCE A WEEK,
TAKE A PEEK!

Head lice and nits are very common in young children. They don't have anything to do with dirty hair and are usually picked up from head-to-head contact.

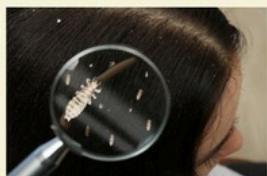

Check if it is head lice

Head lice are small insects, up to 3mm long. They can be difficult to spot. Head lice eggs (nits) are yellow, brown or white (empty shells) and attached to the hair.

How does it feel?

- Itchy!
- like something is moving in your hair

The only way to be sure someone has head lice is by finding live lice or eggs.

You can do this by combing the hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice

You can treat head lice without seeing a GP. Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice.

Use a fine toothed-comb

If you don't want to use chemicals, you can buy a special fine-toothed comb online or from pharmacies to remove head lice and nits. There will be instructions on the pack but you should - use the comb on wet or dry hair - although it usually works better on wet hair with conditioner. Comb the whole head of hair from the roots to the ends.

Repeat every few days for 2 weeks

Use lotion or spray

You can use medicated lotions and sprays to kill head lice in all types of hair. You can buy these from pharmacies, supermarkets or online. Head lice should die within a day. Some treatments need to be repeated after a week to kill any newly hatched lice.

There is **NO** need to keep your child off school if they have head lice.

There is nothing you can do to prevent head lice. You can prevent head lice from spreading by avoiding head-to-head contact.

Don't use medicated lotions or spray to prevent head lice as this can irritate the scalp and skin.
