Parent and toddler group (0-4yrs old)

Here are some pictures of our brand **NEW Little Clovers toddler group**, every Friday 9:30-11am at Clover Hill for aged 0 to 4 years old. **Inside and outside activities.**

PLEASE BE AWARE SOME PUPILS HAVE HAD HEADLICE, SO MAKE SURE YOUR CHECK YOUR CHILD'S HAIR

HEAD LICE AND NITS ADVICE FROM THE NHS

ONCE A WEEK,
TAKE A PEEK!

Head lice and nits are very common in young children. They don't have anything to do with dirty hair and are usually picked up from head-to-head contact.

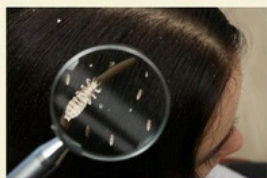

Check if it is head lice

Head lice are small insects, up to 3mm long. They can be difficult to spot. Head lice eggs (nits) are yellow, brown or white (empty shells) and attached to the hair.

How does it feel?

- Itchy!
- like something is moving in your hair

The only way to be sure someone has head lice is by finding live lice or eggs.

You can do this by combing the hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice

You can treat head lice without seeing a GP. Treat head lice as soon as you spot them. You should check everyone in the house and treat them on the same day if they have head lice.

Use a fine toothed-comb

If you don't want to use chemicals, you can buy a special fine-toothed comb online or from pharmacies to remove head lice and nits. There will be instructions on the pack but you should - use the comb on wet or dry hair - although it usually works better on wet hair with conditioner. Comb the whole head of hair from the roots to the ends.

Repeat every few days for 2 weeks

Use lotion or spray

You can use medicated lotions and sprays to kill head lice in all types of hair. You can buy these from pharmacies, supermarkets or online. Head lice should die within a day. Some treatments need to be repeated after a week to kill any newly hatched lice.

There is **NO** need to keep your child off school if they have head lice.

There is nothing you can do to prevent head lice. You can prevent head lice from spreading by avoiding head-to-head contact.

Don't use medicated lotions or spray to prevent head lice as this can irritate the scalp and skin.

Parking around schools - help keep our children safe

Norfolk County Council

Dos

- GO** Let children out of the car on to the pavement not the road
- GO** Park away from the school
- GO** Set a good example to other drivers and your children; they will learn from you
- GO** Help your children to learn road safety skills
- GO** Encourage other drivers to make the roads around schools a safer place
-  Always stop for the lollipop

Don'ts

- STOP** Park your vehicle where it will endanger, inconvenience or obstruct other road users or pedestrians, e.g. Zebra crossing
- STOP** Block the school entrance or people's driveways
- STOP** Block the road - emergency vehicles may need access
- STOP** Park on yellow lines or zig-zag markings
- STOP** Park on the pavement or across dropped kerbs
- STOP** Park opposite or within 10m of a junction

DOs

Try these options to promote health and fitness, reduce congestion and help the environment

- Walking or Cycling
- Park and Stride
- Walking buses
- Car sharing &
- Using public transport

Remember:
Always wear your seat belt - it saves lives!

Don'ts

ODD SOCKS DAY

TUESDAY 12TH NOVEMBER

Thousands of kids and adults across the UK are going to be wearing odd socks on Tuesday 12 November and there's a really good reason why! It's the start of Anti-Bullying Week.

Odd Socks Day is a national event all about celebrating what makes someone unique.

It's organised by the Anti-Bullying Alliance which is a group of organisations, charities and individuals who work together to try and stop bullying
